## **Gewurztraminer**

Full-Bodied, medium-dry wine with flavors of ripe peach and litchi. Perfectly matched with spicy dishes, poultry and barbecue. Fruity on initial presentation with notes of nutmeg, cinnamon and cloves on the finish.

This wine has undergone the strict quality control tests required by the German Government and has been awarded the right to display the name Qualitätswein.

Qualitätswein bestimmter Anbaugebiete (QbA) is the category, which includes the largest quantity of German wines. It comes from one of the 13 specified wine-growing regions and is made from approved grape varieties that have ripened sufficiently to assure that the wine will have the style and traditional taste of its region. Light, refreshing and fruity, these wines are meant to be consumed while young for everyday enjoyment, or with meals.

Should be served at a temperature of about 55°F, in order to bring out all the charm and character.
