

CASTILLO DE BÉTERA

Red Wine

VALENCIA

Denominación de Origen

PRODUCT OF SPAIN

&

*Carranc Vino de Mesa*

Tasting notes: Ruby red in color with a hint of purple. Vibrant red fruit on the nose and palate with firm yet round tannins. The wine is medium to full bodied with a good length.

**Bobal 75%:** A dark grape. Vigorous and rustic vine-stock, larger sized with high productivity producing abundant musts being well balanced and with relatively high acidity. This grape produces high quality red and rose wine of intense color and with a considerable fruity aroma.

**Tempranillo 25%:** Spain's most widely planted vine variety, Tempranillo is associated with quality wine and is also called [Cencible](#), Ull de Llebre and Tinto Fino in different parts of the country. Its grapes are thick skinned and capable of making deep colored, long-lasting wines that are not, unusually for Spain, high in alcohol.
